

Suggested Ground Rules for our Small Group

- 1. We will treat each other with RESPECT, OPENNESS and HONESTY.**
- 2. We will allow sufficient time for silent reflection before any sharing begins.**
- 3. Each person will be given the opportunity to share but no one needs to share unless he or she so wishes.**
- 4. We need to keep the conversation balanced. Therefore no one person should dominate.**
- 5. Everyone should have the opportunity to speak before anyone makes a second contribution.**
- 6. CONFIDENTIALITY will be respected within the group so that each person can share openly.**
