Dear

22nd October 2008

HOME IS A HOLY PLACE

The Southwark Marriage & Family Life Team would like to introduce you to a new DVD from the Catholic Bishops' Conference that explores the holiness of everyday family life and of the family home itself.

We know that many parents are simply not aware of God's presence in the midst of their busy, messy lives, in the deep joys and sorrows they experience together and in their relationships with one another.

This new resource, adaptable for parish or school use, or in groups of any size, and available free of charge to every parish in the diocese, explores and explains that uplifting truth. We invite you to come along to either one of two morning training sessions to collect your copy and information pack and find out how best you can use this resource.

The choice of dates is Saturday 22 November at Aylesford Priory or Saturday 31 January at the Christian Education Centre, Tooting Bec. In both cases, the training session starts at 9.30am and finishes at 1pm. There is no charge. Tea and coffee are provided.

Whether you yourself are able to attend or not, please do send a representative or representatives.

The enclosed flyer, suitable for distribution and/or display, gives more details.

We look forward to receiving your booking(s) and seeing you on the day.

Yours in Christ,

Lisette Blanchet Ball and Fr Tom Creagh-Fuller
